MVHS Warrior Band Boosters, Inc is a non-profit organization comprised of volunteers working to support the Magna Vista High School Marching and Concert Band programs as well as certain programs with Laurel Park Middle School. This is an excellent way to support music programs that are important to students. Aside from being a great reference and souvenir for our students and families these concert programs as well as the other sponsorship opportunities help to cover expenses not included in the school budget. We are pleased to say the Magna Vista High School Band Program has been growing over the last few years and we hope to continue to expand more in the future.

Thank you for your consideration of support to contribute to the success of our upcoming year. We are also very open to your creativity and whatever activities work best for your business.

Best regards,
